With its Historic Grade II* Listed Tide Mill, Visitor Centre, Mill Café and Outdoor spaces, The Eling Tide Mill Experience is looking for enthusiastic people to join our team.

Our very popular and busy Mill Café offers a place to eat and drink for both customers visiting the Eling Tide Mill Experience, and local, casual customers.

Ideally, you will have experience of managing a café or similar catering facility and leading a team. This hands on role takes responsibility for all aspects of running a café; from optimising sales, preparing menus, food preparation and cooking, income, health and safety, stock

control and ordering; all whilst ensuring the highest level of customer service is maintained.

The ideal candidate should possess a Level 2 Catering Certificate, but most of all have a passion for catering and food. As part of the role, the Café Supervisor will also assume the role of Duty Manager when required.

Includes weekends and some evenings, so a flexible approach is required.
