

JOB VACANCY

Arboricultural Officer

SCP 19 - 22 – (£19,446 - £21,074 per annum pro rata)

Totton & Eling Town Council is one of the largest in England, and they are looking to employ an Allotment and Arboricultural Officer to provide expertise and advice in the field of horticulture and arboriculture with regard to the Town Council's tree maintenance and management of its allotment facilities. The ideal candidate would benefit from having experience from working within a similar environment and working outdoors, although full training will be given. Additionally, good front line communication skills, and the ability to assist with the inspection of the allotment facilities would be favourable.

The average hours are 10 hours per week, on days to be discussed. A clean driving licence and use of own vehicle is required.

We would welcome applications, by application form only, from all candidates who feel they could assist with the development and management of the Town Council's Arboriculture services. (CVs maybe attached to the application form if desired)

Application forms and a job description are available from our web site at www.totton-and-eling-tc.gov.uk . Please send all applications to Susan Cutler at susan.cutler@totton-and-eling-tc.gov.uk .

Closing date – 17th January 2019
